

The Women in Science and Engineering (WiSE) at UF present the 4th annual spring science camp for girls in grades 6 & 7!

**WISE GIRLS SCIENCE CAMP!**  
MARCH 26-30, 2018. UNIVERSITY OF FLORIDA.

Experience exciting real-world science at the University of Florida with hands on science experiments, workshops, and field trips. Meet with real women in science and take part in fun activities, from collecting plants and fossils to building your own telescope!

WiSE Girls Science Camp takes place during Alachua County Spring Break, from 9am-5pm, with a fee of \$10 per day (financial aid is available). Applications are due March 11, 2018 - space is limited!

*Applications can be obtained online at [www.wise.group.ufl.edu](http://www.wise.group.ufl.edu). The application requests a letter of motivation from the student and letter of endorsement from a teacher.*
